

Dear Friend and Partner in the Gospel,

The purpose of this letter is to wholeheartedly affirm the calling and ministry of Troy and Gwyn Price and their family. Troy and Gwyn have been enthusiastic members of Richland Creek for a decade, and in that time they have demonstrated a firm commitment to the exclusivity of the Gospel, the value of the local church, and the priority of the Great Commission.

Over the last few years in particular, our church leaders have clearly seen God's hand on Troy, Gwyn, Meredith and Makayla as He has called them to pursue His will for their lives. Their desire to be on the international mission field is clearly from the Lord. This calling has manifested itself in many ways in their lives: a continued dedication to church service as they prepare to go, more engagement with fellow believers as they grow in the Gospel, and a passion for personal purity in their walks with Christ.

Finally, we can affirm the Price family's humility as they seek the Lord's will and His timing for their transition to the mission field. They have respectfully sought guidance and direction and listened to advice that was given. They have submitted to church leadership as we have offered them encouragement and support.

In short, Richland Creek Community Church endorses the calling and ministry of the Price family without reservation.

Yours in Christ,
