Thank you for your interest in an internship in Haiti. We pray you are as excited as we are to have you serve with us and that you are ready to bless and be blessed serving the Haitian people. We anticipate seeing God move in a mighty way in your life and the lives of the many people you are going to have an opportunity to touch.

The cost of the internship is \$1250.00 per month which includes **2 meals per day, lodging, interpreters, ground transportation, and any ministry related needs.** This does not include airfare, travel insurance, or an ambulance membership. **Please bring your own snacks. You may buy them here; however, they are very expensive in Haiti.**
