

MEDICAL CLINIC

Troy and Gwyn Price
pricelessgrace.com
pricelessgraceministries@gmail.com

Priceless Grace Ministries operates a free medical clinic in Port-au-Prince, Haiti where basic medical care is offered to individuals who are in desperate need yet can't afford this care on their own. Our unpaid staff includes an EMT and Paramedic who work directly with the patients, as well as volunteers who assist with standard patient needs.

Educating individuals on how to take care of their health by eating the right kinds of foods and drinking ample amounts of water is one of the clinic's main priorities. But, most importantly, is the sharing of the Gospel with each person who comes in seeking medical treatment because it is the Gospel that gives ultimate healing and wholeness.

We wholeheartedly welcome medical and surgical teams to join us on the ground as we seek to care for our Haitian friends. Having these teams partner with us is invaluable as we aren't able to meet all the needs that present themselves.

Not only are team partnerships in-country vital to our clinic's ability to offer help, but because the clinic functions solely on donations and gifts given, your help in the giving of needed supplies is extremely important to our being adequately equipped to care for patient needs.

Below is a list of supplies we try to keep on hand:

Medical Clinic Basic Needs:

- Sudafed
- Infant Tylenol and Ibuprofen
- First Aid Self Adherent Cohesive Bandages <http://amzn.to/2vGsCCj>
- Visine Eye Drops
- Areta Strep A Tests <http://amzn.to/2iGdiV2>

- Azithromycin
- Metronidazole
- Nitrofurantoin
- Penicillin V
- Albuterol
- Prednisone
- Cipro Ear Drop
- Basic Eye Drop
- Fluconazole
- Albuterol nebulizer

A few ways you can partner with Priceless Grace Ministries Medical Clinic:

- ❖ Share the above supply lists with your church, small group, Bible Study group, office associates, etc. Set a goal and end date for monetary giving, reminding individuals often of the approaching end date.
- ❖ In lieu of giving/receiving Christmas, birthday, anniversary, etc. gifts, donate monies to Priceless Grace Ministries Medical Clinic in honor of that special someone or have someone give in your honor.
- ❖ If a team from your church or organization is traveling to Haiti to serve with us, collect tangible items from the supply lists with your church, small group, Bible Study group, office associates, etc. Once collected, pack items in duffle bags or suitcases to send with the team. Keep in mind you may need to cover the expense of air travel cost for the piece(s) of luggage.

****All monetary donations can be given through www.christianlightministries.org/donate. Please note “Priceless Grace Ministries Medical Clinic” when giving.**
